NOTICE TO GUAM ELDERLY (GUMA TRANKILIDAT) MULTIFAMILY HOUSING RESIDENTS REVISION TO THE LEASE AGREEMENT

On February 13, 2023, the Guam Housing and Urban Renewal Authority issued a flyer regarding the new Rent Payment Program. Effective March 31, 2023, Bank of Guam (BOG) will no longer accept GHURA's Rent Coupons as a form of making payment towards your rent.

GHURA is working with a *RentPayment* program from MRI Software that will allow residents to set up and make online payments to GHURA through GHURA's website. We will be notifying residents once the system is active and how to register your account through this on-line portal.

GHURA will be revising the Lease Agreement, page 1 item 3. Rent and Payment Location. This revision is to reflect the update in making payments and payment location.

"All payments must be made through GHURA's on-line portal. Residents will have different payment options with assessed fees. Any payments with non-sufficient funds will be assessed bank charges as applicable."

This Notice will be posted on GHURA's website. Should you have any questions, please call Pearly Mendiola, Property Site Manager at (671) 646-6301.
