| <p>3. Refer to Response to Inquiries No.1 question 7. GHURA's response is unclear if it will be GHURA or the awarded vendor's responsibility to hire an electrical engineer to identify, design, and protect the point of connection for the cameras to the light posts or other sources of power. Please advise who is responsible. Note, that the awarded vendor does not have the original electrical plans for all locations.</p> | <p>3. It will be the vendor's responsibility to subcontract an electrical engineer for the work being performed.</p> |
| <p>4. Can we mount cameras or the NVR on GHURA public housing /buildings?</p> | <p>4. No, due to privacy issues and potential tampering with equipment.</p> |
| <p>5. If we can mount on public housing /buildings is there power that we can connect to?</p> | <p>5. Please see answer to question number 4.</p> |
| <p>6. Will there be a recording unit at the main office to allow recording of cameras located in housing where there are no AMP Office?</p> | <p>6. License plate cameras and video cameras that are placed in the entrances and exits of the housing area will be transmitted and recorded at their designated AMP offices.</p> |
